## Thursday 30<sup>th</sup> October

### Arrival of the participants

15:00-19:30: **Registration**

**Location:** Entrance Hall of Hotel Kenzi Menara Palace

## Friday 31<sup>th</sup> October

### Nutrition

**Chair : A.Koleilat, S.Ettair**

08:30-08:50 : Screening and management of malnutrition. **B.Koletzko** (Germany)

08:50-09:10 : Pediatric Home TPN Service in Qatar. **K.Hassan** (Qatar)

09:10-09:20 : Discussion

09:20-09:50 : **Satellite Symposium of Nestlé Nutrition Institut Maghreb (NNI Maghreb)**  
**Long term impact of protein supply in infants.** **B.Koletzko** (Germany)

10:00-10:45 : **Opening Ceremony**

10:45-11:15 : Coffee break, visiting Posters and exhibitions

### Nutrition-Endocrinology

**Chair: M.Abou Zekri, B. Benhammou**

11:15-11:35 : Management of Failure to thrive: nutritional approach. **M.Hida** (Morocco)

11:35-11:55 : Management of Failure to thrive : hormonal approach. **G.El Mghari** (Morocco)

11:55-12:05 : Discussion

12:05-14:30 : Lunch break

### Nutrition

#### Food Allergy in children

**Chair: O.Saber, S.Hill**

14:30-14:50 : Food allergy, how, what is new? **A.Koleilat** (Lebanon)

14:50-15:10 : Diagnosis and management of food allergy : a practical approach.  
**S.Hill** (United Kingdom)

15:10-15:30 : Immunotherapy for food allergy. **S.Ettair** (Morocco)

15:30-15:45 : Discussion

15:45-16:15 : **Satellite Symposium-Bledina:**

**Chair: N.Mouane**

**State of the art in infantile digestive discomfort: Constipation, regurgitation and colic.** **Y.Vandenplas** (Belgium)

16:15-16:30 : **Coffee break, visiting Posters and exhibitions**

### Hepatology

**Chair : A.Dhawan, M.El Guindi,**

16:30-16:50 : Hepatobiliary disorders between pediatricians and surgeons.

**N.Dessouky** (Egypt)

16:50-17:10 : Human hepatocyte transplantation-State of the art

**A.Dhawan** (United Kingdom)

17:10-17:30 : Journey of pediatric liver transplantation in India **A.Sibal** (India)

17:30-17:50 : Biliary atresia score for early diagnosis. **M.El Guindi** (Egypt)

17:50-18:00 : Discussion

### Workshop

18:00-18:07 : Persistent cow's milk allergy. **N. Siala, M.Meherzi** (Tunisia)

18:07-18:45 : Place of skin test in food allergy **N.Erreimi, N.Hafidi, N.Dini** (Morocco)

**20h: Gala Diner**

## Saturday 1<sup>st</sup> November

### Pancreas and Hepatology

**Chair: H.Ozen, T.Meskini**

08:30-08:40 : Pancreatic exocrine insufficiency.

**H.Berrani, S.Ettair, T.Meskini, N.Erreimi, N.Mouane** (Morocco)

08:40-09:00 : Cystic fibrosis in Bahrain: Demographics and multidisciplinary approach.

**H.Mohamed Ali** (Bahrain)

09:00-09:20 : Cystic Fibrosis: Nutritional Consequences and Management. **H.Ozen** (Turkey)

09:20-09:30 : Discussion

**Chair: M.Sultan, H.Mohamed Ali**

09:30-09:50 : Acute liver failure in children. **A.Dhawan** (United Kingdom)

09:50-10:00 : Glycerol Phosphate Dehydrogenase 1 deficiency, a cause of Hypertriglyceridemia, Fatty Liver, and Hepatic Fibrosis. The Palestinian experience and report of seven cases. **M.Sultan** (Palestine)

10:00-10:20 : Discussion

10:20-11:00 : **Coffee break, visiting Posters and exhibitions**

### Gastroenterology

11:00-11:30 : **Satellite Symposium – Novalac**

**Chair: M.Hida,**

**New guidelines on the dietary management of GER.**

**Y.Vandenplas** (Belgium)

**Chair: M.Beninga, M.Rawashdeh**

11:30-11:50 : Pathophysiology and treatment of functional abdominal pain.

**M.Beninga** (Netherlands)

11:50-12:10 : Familial Mediterranean fever in Arabs. **M.Rawashdeh** (Jordan)

12:10-12:30 : Familial Mediterranean fever genotype in childhood in syria - Pilot study.

**M.Bozo** (Syria)

12:30-12:50 : Gut micro biota after consumption of the Gum Arabic as the only natural Prebiotic. **O.Sabir** (Soudan)

12:50-13:00 : Discussion

**13:00-14:30 : Lunch break**

### Gastroenterology

**Chair: O.Saadeh, M.Bozo**

14:30-14:50 : Variations in clinical presentations of celiac disease in Egyptian children.

**M.Abou Zekri** ( Egypt)

14:50-15:10 : Gluten Related Disorders in Children **F.Alrefaae** (Kuwait)

15:10-15:30 : Inflammatory bowel disease in Saudi Arabia. **O.Saadeh** (Saudi Arabia)

15:30-15:45 : Discussion

15:45-16:15 : **Coffee break, visiting Posters and exhibitions**

### Endoscopy,

**Chair: N.Siala, M.Sbihi, R.Belbouab**

16:15-16:30 : Endoscopic management of foreign intra- esophagus bodies

**A.Abkari** (Morocco)

16:30-16:40 : Endoscopic and histological features of gastritis in children of school age

**Z.Zeroual** (Algeria)

16:40-16:50 : Caustic ingestion in children in the eastern Morocco

**A.Es-Seddiki, A.Ayyad, S.Messouadi, R. Amrani** (Morocco)

16:50-17:00 : Evaluation of endoscopic esophageal dilatation effectiveness in peptic stenosis in children **S.El Yaoûti, M.Lakhdar Idrissi, Y.Bouabdallah, M.Hida** (Morocco)

17:00-17:10 : Discussion

### Nutrition

**Chair: M.Moubri, K.Hassan**

17:10-17:30 : Breastfeeding: an example of Social accountability **N.Siala** (Tunisia)

17:30-17:50 : The consumption of milk and dairy products by moroccans children.

**A.Thimou Izgua** (Morocco)

17:50-18:00 : Discussion

## Posters
